

# Cover Letter

I am a bachelor in computer science. My academic background is marked by outstanding grades (O) in core computer science courses, including Computer Networks, Computer Architecture, Operating Systems, and Data Structures & Algorithms which reflects my strong foundation in fundamental concepts. I have achieved top 8.5% global ranking in competitive coding with a LeetCode contest rating of 1777, highlighting my commitment to continuous learning and effective problem-solving. Also, I am proficient in HTML, CSS, JavaScript, Node.js, Express, React, Next.js, C, C++, Java, and Python, specialized in both backend and frontend development. I am eager to contribute to innovative projects at your company, drawn by the prospect of working in a collaborative environment that aligns with my strong communication and teamwork skills.
